## General Manager's Corner

by Brad Calaway, PGA

General Manager & Head Golf Professional

We are looking forward to a wonderful year on the course and inside the Clubhouse.

When you read this our new pergola might already have been installed along with the awnings on the West and North side of the Clubhouse. This will make enjoying our outside patios an even better experience.

With all the good that is happening and has happened over the last few seasons, many thanks need to be directed to the Board of Directors. These BOD members are members of Stoughton Country Club, elected by members to serve the best interests of the Club and to ensure the Club remains financially sound.

Many of you are curious as to who these members are and would like to discuss ideas, and suggestions or simply thank them for volunteering their time. If you have other intentions, comments, or thoughts on the policies of the Club, we have ways for you to communicate this:

1. Speak with me, call me, or email me at [Brad@stoughtoncountryclub.com](mailto:Brad@stoughtoncountryclub.com)
2. Use one of the suggestion boxes conveniently located in the bar/sunroom area or main hallway.
3. Use the email to the Board at [sccboardsecretary@stoughtoncountryclub.com](mailto:sccboardsecretary@stoughtoncountryclub.com)

Most importantly, respect that when Board Members are on property enjoying their membership, they should be free from approach with negative comments or feedback. Now, if you'd like to thank them for their service to the membership, I am certain they would not mind this in the least.

We as staff can attest to what a talented group of individuals our Board is made up of, and each brings a unique and special talent to the Board. The best part is, we share the same common goal which is to provide the best possible experience for our members while paying respect to our long-standing traditions. We are what we are, and I believe we are an excellent value with fantastic amenities. Please be a positive part of all the good that Stoughton Country Club has to offer.

Growing the game,

Brad Calaway, PGA

## Practice Range Rules and Guidelines:

For the first time, Stoughton Country Club is providing a practice warm-up area, complete with range balls for the members.

While we want you to enjoy this new added benefit to your golf membership, we want to make you aware of a few rules and guidelines as shown in the photo above.

While we appreciate your desired times to practice, the golf shop staff will set the hours of the practice area. We take into consideration many contributing factors, such as weather, daylight hours, and when the area will be mowed.

The hours of the practice area will remain 8 a.m. to 6 p.m., with opportunities before 8 am on the days no mowing will occur. Mow-day mornings will be Monday, Wednesday, and Friday, weather permitting. Mark Livingston and his staff will prioritize the mowing early so the area can open as soon as possible. The ending hour of 6 p.m. allows golf shop staff to pick the range before dark. We ask that if you see golf shop staff picking the range, please be kind and wait for them to finish.

In addition to all the rules shown above on the sign, we ask that you pay attention to members utilizing the forward tee on hole 4. Please pause hitting until the players move away from the forward tee. We are trying to avoid an unfortunate incident.

Thank you and enjoy this new addition to our excellent golfing experience.
