We had a great turnout for the Junior Club Championship at SCC this year. Due to a rain out on the original scheduled date some of our participants were not able to make the rescheduled date. I want to give a shout out to all those players who couldn't make it. Thank you for your interest in playing and mark your calendar for next year!

To all those who were able to play, thank you, and great job by everyone. These events are great opportunities for you to gain experience, build new relationships with other players, and grow your love for the game.

Boys JR. Club Champion (12yr to 14yr): Rocco Randall

Girls JR. Club Champion: Mackenzie Green

Boys JR. Club Champion (15yr to 18yr): Tie for First.

An 18-hole match play playoff is set for Sunday, October 20th at 9:00 am. The matchup will include Tate Eccles Vs. Colin Quam.

2024 SCC MEMBER MEMBER

Pictured above are 1st place winners:
Ryan Stolcpart and Rick Carl

The 3rd annual Member Member Tournament was hosted at Stoughton Country Club on Friday, September 27th.

This event has grown greatly over the last three years. It has an interesting 27-hole format followed by a 3-hole shootout. It is a fantastic way to cap off some of our season ending events.

We had 26 two player teams in the field competing for over \$6,700 in prize money. In the end we had 29 out of 52 players win a piece of the pot.

In the end only one team can call themselves Champions of the SCC Member Member. **That team was represented by Rick Carl & Ryan Stolcpart.** They played steady through the shootout and beat the remaining 3 teams by 3 shots.

Congratulations to our Champions!

1st Place – Rick Carl & Ryan Stolcpart

2nd Place – Rick Lonigro & Todd Fortune

3rd Place – Ryan Frederick & Jake Sevenz

4th Place – Eric Smedal & Ty Nordness

It's fun to gamble on

I'm honestly not sure there's a better feeling in the world than walking down the fairway with 3 of your best friends, shooting the shit, laughing at all the bad shots, and just enjoying life.

Golf Tip

by Darcy Kelly, Teaching Professional

The golf season is starting to wind down. Overall, the weather conditions were very good, and the golfers were pampered with a beautifully maintained golf course!

How did your season go? Now might be a good time to honestly evaluate the season. Did you set a goal? Did you attain your goal? If not, why not? Was that goal realistic? Use this information to set a plan for the future!

Overall, appreciate all that golf has given you!

DAY!

Saturday, September 28th, 2024 marked a celebratory occasion for the members of the Stoughton Country Club. The afternoon was filled with a delightful pig roast, live music by The Blue Smoothies, silent auction, and ample opportunities for socializing.

The 3rd annual Steve Hlavacek Scholarship Fundraiser was held in conjunction with the event. Just over \$1,300 was raised to fund scholarship(s) in Steve's name, to be awarded to a member of the high school golf team.

Successful Open House Event!

We are thrilled to report that our recent Open House event on September 4th was a tremendous success! Designed to engage with our surrounding community and showcase our Fall Golf and Social Promotion, the event attracted numerous individuals who came to tour the Stoughton Country Club.

The evening was filled with positive energy and enthusiasm as our guests explored the club, mingled with members, and learned about the unique benefits of joining SCC. We are delighted to announce that we welcomed a significant number of new Golf and Social members, thanks to this event. The feedback we received was overwhelmingly positive, further amplifying the club's presence in the community.

As these new members settle in, we encourage you all to extend a warm welcome. Whether you see them out on the course or dining in our restaurant, don't hesitate to say hello and introduce yourselves. We are eager to see them become an integral part of the SCC family.

Given the great success of this Open House, we are already looking forward to hosting it again next year. Remember, our Fall Promotion is still active until the end of October. If you know anyone interested in joining, please have them reach out. Let's keep the momentum going—making our club a fun, exciting, and welcoming place for all!
