General Manager's Corner

Stoughton Country Club "101"

"101" refers to the basic principles in a particular field. In the case of Stoughton Country Club, we're talking about aspects of Club Management. We use this "101" concept when hiring. We hire nice people knowing we can train them to do whatever is needed, but we can never train an unpleasant individual to be genuinely nice. When training staff we emphasize that they greet the member with a smile, be friendly and use their name.

As a manager, it is important to practice "101" as well. We try to provide clear communication, both verbal and written. In addition, we want to guide staff on a career path, recognize conflict and work to resolve issues quickly.

In the bar, our "101" supports the staff to make a tasty, consistent drink using fresh ingredients at a fair price. As well, we provide a wonderful atmosphere to enjoy those liquid libations.

Dining and restaurant "101" means we will strive to provide good quality food that people enjoy, in a pleasant dining experience over and over again.

Golf instruction "101" allows us to improve your golf game using some basic principles once again. PGA stands for "Professional Golf Association" and with instruction, it stands for Posture-Grip-Alignment:

- Posture: learn to properly stand and address the ball.
- Grip: learn the proper way to put your hands on the grip.
- Alignment: simply learn to aim.

With all of these "101" basic principles being utilized and the previous leadership of Steve Hlavacek over his tenure at SCC, we are poised to get through the ultimate "101" ... the next 100 years.

Welcome to 2023, year number 1 of the next 100 years of excellence at Stoughton Country Club.
Welcome to year 101!

Brad Calaway, PGA
Golf Professional and General Manager

What's with the orange and blue-shirted Junior golfers?

It's the JR PGA League U13 participants.

Join the team.

Play with friends.

Learn the game with expert coaching.

Girls and boys ages 6 to 13 of all skill levels are playing competitive team golf representing Stoughton CC.

13U: Must be no older than 13 years old.

The minimum age here at Stoughton CC is 6 years old.

It's a two-player pair, match play scramble format from appropriate tees. Every 3 holes (1-3, 4-6-7-9) is worth a point or flag. Teams with the most points win the match. U13 9 holes. Matches are played on Sunday afternoon and sometimes Monday afternoon.

We're looking for kids interested in joining the team this year and representing Stoughton Country Club to compete against other Clubs including, The Oaks, Lake Ripley, and Nakoma CC.

Star pupil, Matthew LePine, is shown here with an approach on #1.

We will model practice time to simulate a match, work on swing fundamentals and learn the rules of golf.

The season is from May through July and playoffs for All-Stars possible in early August.

PGA Jr. League is bringing friends, families, and communities together through golf.

SWING into SPRING

Happy 2023!

Hooray for signs of spring! Extended daylight and birds chirping are surely very good signs for golfers!!

In the last newsletter, we discussed a couple of suggestions to gain more consistency in our golf game.

Let's quickly review this. Your practice swing and golf shot should incorporate a balanced setup and a good solid grip every time!

Your game plan for consistency should be simple and repeatable! If it is simple, there is a much better chance it can be repeated. One to two swing thoughts is plenty.

Now put this all together.

- Include balance and a good grip in your preset routine.
- Have one or two swing thoughts that you have practiced and will continue to use when you play.
- A golfer cannot change an old habit in one hour or one day. You must stick to the plan, be patient and stay positive!!

I look forward to an enjoyable season servicing the community of SCC!

Darcy

Proper Dress at the Stoughton Country Club

A reminder of the Club's dress code:

The intent of the dress code is to ensure that all members, their families, and guests enjoy the Club in a pleasant atmosphere and help sustain the quality of membership and standard of excellence upon which Stoughton Country Club was established. Proper attire while at Stoughton Country Club is not only important in the clubhouse but also on the golf course and surrounding areas of the club. Compliance with the dress code policy by family members and guests is the responsibility of the member.

When members and guests arrive at the Club not in compliance with the dress code it is not the intent to embarrass or harass the member or guest. The following day they will receive a phone call from the General Manager reminding them of the dress code requirements for their next visit.

Tuesday and Friday night dining room expectations:

Hats, caps, and hoodies are prohibited. Denim is permitted and must be free of holes, tears, and un-tattered.

Recommended attire:

Men and Boys:

Dress shirts, collared golf shirts, or sport shirts with sleeves, turtlenecks, mock turtlenecks, sweaters and sweater vests, golf jackets, golf shorts, Bermuda shorts, walking shorts (mid-thigh length), traditional slacks, and khakis. Hats and caps should be worn with the bill facing forward.

Women and Girls:

Sleeved or sleeveless blouses, shirts or golf shirts with or without a collar, turtlenecks, mock turtlenecks, sweaters, sweater vests, jackets and golf jackets and pullovers, golf shorts, Bermuda shorts, walking shorts (mid-thigh length), golf skirts, skorts, capri pants, golf slacks, and golf dresses. Hats and caps should be worn with the bill facing forward.

Unacceptable Attire:

You will be asked to return with a collared shirt (or other appropriate attire), or you may purchase appropriate clothing from the golf shop.
